## CHOMP Update

Our Rockin' Crocs continue to impress Mr. T with their resilience and mindfulness. Our students were incredibly quiet when there was a testing session in a neighboring classroom late in the day on Thursday. The teachers involved were very impressed with how quiet we were. Also, we did a great job in the hall and persevered when we did not have specials on Tuesday and Thursday.

We currently have 290 CHOMPliments

## Backpack Buddies

Thanks again SO much for all of your generous donations to our backpack buddy program this year! We are getting close to the end of the year and have several open slots. So, I wanted to send out the sign-up one more time to hopefully get it filled up to finish out our school year. If you are able, please click on the [link](#) to sign up.

We couldn't do it without you! Thanks again for all of your support!!
