## Announcements

I cannot believe that the year is about to come to an end. I have really enjoyed working with your children and getting to know your families over the course of the year. Thank you for your effort supporting me and your children throughout the school year. I wish them all the best of luck next year. I'm looking forward to hearing about all of their great accomplishments in middle school and beyond!

5<sup>th</sup> Grade Ceremony: Thursday, June 30<sup>th</sup>

Track 4 @ 10:15 a.m.

There will be refreshments outside following the ceremony. 5th graders can be checked out at this time to go celebrate with family, and they will be counted as present for the day!

5<sup>th</sup> Grade Fun Day is on Wednesday (29<sup>th</sup>)!

-We will be having a special lunch which will include: hot dogs (provided by Dang Good Dogs), chips, watermelon, and Kona Ice. If your child does not like hot dogs, they should pack something for lunch.

- Please remind your child to wear their class t-shirt!
- Students should bring a water bottle!
- Students should put on sunscreen at home!
- If you have any questions, please let me know!

Library books were due on Thursday (23<sup>rd</sup>) and yearbook money or returned yearbooks were due today (Friday). If you have not returned any of these items, please do so on Monday!

## PBIS

### All Character Traits

The character trait for the month of June is "all character traits." This nomination goes to students that have exemplified each character trait throughout the entire year.

## Important Dates

6/23 and 6/24: EOG Makeup dates  
6/29: 5<sup>th</sup> Grade Fun Day  
6/30: Last Day of School, Report Cards, Moving Up Ceremony

## I Can...

**In order to bring purpose to what your child is learning, we post I CAN statements on our board daily. It is important that your child is continually utilizing these to evaluate their understanding. You can check in with our student by discussing the following statements.**

### Math:

I can convert measurements among the same measuring system.

I can make a line plot to display data sets of measurements in fractions.

I can use fraction operations to solve problems involving information presented on a line plot.

### Reading:

I can compare and contrast multiple accounts of the same event or topic.

I can accurately synthesize information from multiple texts on the same topic.

### Writing:

I can write explanatory texts to examine a topic and convey ideas and information clearly.

I can use Big Question sentence starters to be an active and engaged reader.

### Science:

Understand how structures and systems of organisms (to include the human body) performs functions necessary for life.

Understand why organisms differ from or are similar to their parents based on the characteristics of the organism.

Croc with Character!
