11/3 – CROC Mile

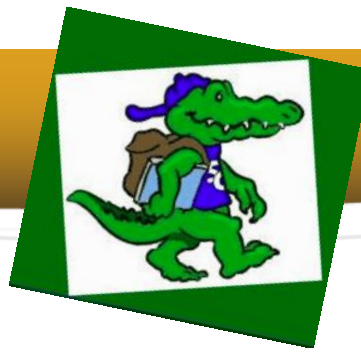

Wish List

**Empty, clear, 2 – Liter Bottles
for an upcoming science unit**

PBIS

Courage

Have you ever been nervous or scared of something, but you did it anyway? Well then you've shown courage! There are many ways to show courage. Sharing your answer or ideas in front of the class, going up to someone new and asking if you can play, and trying something new even though it looks really difficult are just a couple of examples. Even though you might be scared at first, you feel proud after showing courage and overcoming your fears! Courageous moments happen every day at Sycamore Creek- what are some of the ways you show courage?

I Can...

In order to bring purpose to what your child is learning, we post I CAN statements on our board daily. It is important that your child is continually utilizing these to evaluate their understanding. You can check in with

our student by discussing the following statements.

Math

I can add and subtract decimals using concrete models and the standard algorithm.

Reading

Discuss how characters respond to challenges and change throughout the story.

Determine the theme using details from a literary text.

I can compare and contrast literary elements using details from the text (two or more characters' points of view, settings, events).

I can summarize a literary text.

Social Studies

Understand how countries rely on another for goods and services.

Chomp Update!

We are continuing to earn CHOMPLiments this week. Our current total is 85 and counting.

Croc with Character!

Responsibility

Miah H.

Mr. T's Pick of the Week

September 4 – Abby

September 11 – Andrew M.

September 18 – Taylor

September 24 - Sydney
